SUBJECT: Approval of Equipment Lease with Brown United for Visitor Bleachers at South Pasadena High School

Background

In October of 2007, the District began renting bleachers from Brown United for the visitor side of Roosevelt Field at South Pasadena High School. Recent inspection of the bleachers showed a dilapidated state and a need to shore up the foundation upon which the bleachers were placed.

Discussion

Facilities and Maintenance contacted Brown United, who removed the existing structures and will make the necessary foundation upgrades and replace the older bleachers. This lease agreement outlines the terms and conditions of the rental of said bleachers.

Recommendation

Dave Lubs, Assistant Superintendent of Business Services, recommends that the Board of Education approve the equipment lease agreement between the District and Brown United for the visitor bleachers at South Pasadena High School.
