Business Services Office

M E M O R A N D U M

TO: Members of the Board of Education

FROM: Dave Lubs, Assistant Superintendent of Business Services

PREPARED BY: Tim Mawhinney, Director of Facilities and Maintenance

DATE: April 12, 2016

SUBJECT: Approve Proposal to Furnish and Install Synthetic Turf
Playground & Kindergarten Tricycle Track at Monterey Hills
Elementary School

Background

The existing colored asphalt paving surface has cracks and uneven surfaces that are not conducive to its use as a tricycle track. Additionally, the existing flow of rain run-off gets trapped in low areas causing puddling in student play areas.

Discussion

Utilizing the CMAS Contract Number 4-13-78—0068A to procure the synthetic playground turf surfacing and stamped concrete tricycle track, a proposal was obtained from EasyTurf. The proposal is to furnish and install 2,866 s.f. of new EasyTurf Elite Series Synthetic Turf with stamped concrete tricycle path. The proposal includes removal and disposal of the existing asphalt surfacing, all nailers and mow strips to provide a complete installation. The total cost for EasyTurf to furnish and install the new Elite Series Synthetic Turf safety surfacing is \$49,494.79.

Recommendation

Dave Lubs, Assistant Superintendent of Business Services, recommends that the Board of Education approve the proposal from EasyTurf for \$49,494.79 to replace the kindergarten area asphalt surfacing at Monterey Hills Elementary School.
