Purchasing Apex Learning Digital Curriculum and Services

1. Comprehensive Courses

Single Enrollment Subscriptions: A Single Enrollment Subscription provides access for a period of 12 months for one student enrolled in one Comprehensive Course. If a student completes or withdraws from the course in which he or she is enrolled, the Single Enrollment Subscription may be utilized to enroll that student or another student in any Comprehensive Course. Apex Learning counts the number of course enrollments when Single Enrollment Subscriptions are purchased. The number of course enrollments at one time may not exceed the number of Single Enrollment Subscriptions purchased.

Additional Subscriptions: Additional subscriptions may be purchased for access through the same order end date as the original order.

There are no credits or refunds for purchases of subscriptions to Comprehensive Courses.

2. Course Materials

Certain Comprehensive Courses have course materials that may be required or are optional for the digital curriculum such as books for English courses, lab materials for science courses, or other ancillary items such as a calculator for math courses or a microphone for world languages courses. The price for Comprehensive Courses and ALVS enrollments does not include any such course materials. The course materials list can be found at http://www.apexlearning.com/documents/materials_list.pdf.

Required and optional books may be purchased from Apex Learning at either the per set or per book price at the time of purchase as stated on Apex Learning's course materials list. The price for books does not include applicable sales tax. If any such tax is due, it will be reflected on Apex Learning's invoice. There are no returns, credits, or refunds for books purchased from Apex Learning.

3. Parental Consent

The client is responsible for obtaining any necessary parental consent for each student to use Apex Learning digital curriculum.

4. Laboratory Activities

The client is responsible for the implementation of any hands-on laboratory activities, including ensuring that qualified personnel are available to supervise such hands-on laboratory activities.

5. Professional Development

Scheduling: Onsite professional development sessions cannot be scheduled until Apex Learning has received a valid purchase order or executed contract and must be scheduled at least 2 weeks in advance of the delivery date.

Cancellations: If a scheduled onsite professional development session is cancelled without at least 2 weeks prior written notice, the client will be required to pay Apex Learning for travel and related expenses at the time that onsite professional development session is delivered.

Expiration: Professional development must be delivered prior to the order end date. There are no credits or refunds for unused professional development sessions.
