**SUBJECT:** Proposal to Provide Synthetic Turf Playground Safety Surface & New Playground Equipment at Monterey Hills Elementary School

---

**Background**

The Monterey Hills PTA had indicated the desire to expand or add to the existing playground equipment area in the main school yard area. They had approved an amount out of their budget to accomplish this goal. Discussions with several playground providers resulted in proposals to add a Little Tikes Commercial Play Unit and necessary synthetic turf safety surfacing.

The Monterey Hills PTA has approved the cost and scope of this project to reimburse the District for the contract amount.

**Discussion**

Utilizing the CMAS Contract Number 4-13-78—0068A to procure the synthetic turf safety surfacing and a Little Tikes Commercial Play Unit, a proposal was obtained from EasyTurf. The proposal is to furnish and install 1,710 s.f. of new EasyTurf Elite Series Synthetic Turf with Little Tikes Play Unit QU065737. The proposal includes removal and disposal of the existing grass/dirt/asphalt surfacing, all nailers and mow strips to

provide a complete installation. The total cost for EasyTurf to furnish and install the new playground area is \$57,668.05.

**Recommendation**

Dave Lubs, Assistant Superintendent of Business Services, recommends that the Board of Education approve the proposal from EasyTurf for \$57,668.05 to add new playground equipment and safety surfacing at Monterey Hills Elementary School.
