

SOUTH PASADENA UNIFIED SCHOOL DISTRICT
Business Services Office

TO: Board of Education

FROM: Dave Lubs, Assistant Superintendent of Business Services

PREPARED BY: Derek Aoki, Director of Technology

DATE: March 14, 2017

SUBJECT: Approval to Renew Lynda.com Online Training

Background

Lynda.com offers thousands of online trainings for individuals to learn software and skills.

Discussion

Currently South Pasadena Unified School District has five (5) licenses for Lynda.com. The Technology Department uses them regularly to update their skill sets on various products. Recently a Google Form was sent out to the entire district for all employees to have access to these trainings via a waitlist maintained by the Technology Department. The information available increases productivity and efficiency at a reasonable cost when compared to other training options. The current contract expires on March 24, 2016.

Fiscal Impact

Renewal is \$1750 for five licenses over a twelve month period. This is the same rate as 2016-2017.

Recommendation

Dave Lubs, Assistant Superintendent of Business Services, recommends that the Board of Education approve the renewal of five LyndaPro version 2.0 licenses.
