December 1, 2016

Mr. David Lubs
Assistant Superintendent
South Pasadena Unified School District
1020 El Centro Street
South Pasadena, CA 91030

Dear Mr.Lubs:

This engagement letter is to provide non-audit services for your District; thank you for requesting our services. The standards to which Vavrinek, Trine, Day & Co., LLP (VTD) will conform are intended to better serve the public interest and to maintain a high degree of integrity, objectivity and independence for both audit work and for non-audit work with government audit clients.

The standard for non-audit services for government audit clients is based on two overarching principles:

- Auditors (VTD) should not perform management functions or make management decisions; and
- Auditors (VTD) should not audit their own work or provide non-audit services in situations where the amounts or services involved are significant / material to the subject matter of the audit.

In lieu of these principles, our available resources and considering your needs, our firm suggests the following way that we can assist you during the next year. We will provide you with professional accounting assistance within the engagement scope and on the terms stated below.

OBJECTIVE OF ENGAGEMENT

The District requests periodic assistance with the reports filed with the California Department of Education with regard to fiscal matters.

SCOPE OF SERVICES

The work will be non-audit services as defined by *Governmental Auditing Standards* issued by the Comptroller General of the United States. Our work will not constitute an audit or review of transactions and should not be relied upon as such.

The District is responsible for the appropriate recording and reporting of financial transactions and management decisions. Accordingly, all work will be conducted at your direction or the Director, Fiscal Services, to insure that the work meets the District's objectives. Either the CBO or the Director will be responsible for review and approval of any work product directly prepared by VTD, including any adjustments to the accounting records that may be proposed by VTD, or reports drafted by VTD during the engagement.

Governmental Auditing Standards require that the District be responsible for the substantive outcomes of VTD work and be in a position in fact and appearance to make an informed judgment on the results of the non-audit services and that the South Pasadena Unified School District

- Designates a knowledgeable management level individual to be responsible and accountable for overseeing the non-audit services.
- Establishes and monitors the performance of the non-audit services to ensure that it meets management's objectives.
- Makes any decisions that involve management functions related to the non-audit services and accepts full responsibility for such decisions.
- Evaluates the adequacy of the services performed and any findings that result.
- Informs the board of this engagement.
