**DATE:** March 14, 2017

**SUBJECT:** Approval to Purchase Ovens off “Piggy-back” Bid from  
Garden Grove USD Equipment Bid No. 1505

---

**Background**

The high school kitchen has two, double stacked ovens that have been consistently in need of repair over the last several years. Due to the increase in volume and necessity to have dependable equipment we would like to purchase new ovens.

**Discussion**

We chose the Montague ovens as a replacement based on a specific need. Over the years when we have had electric outages, we can no longer prepare food. These ovens can be started without an electric ignition, making them ideal for not only those instances, but in the event of an extended emergency situation.

**Fiscal Impact**

Cost of ovens, in the amount of \$22,633.79, will be paid from Fund 13.

**Recommendation**

Dave Lubs, the Assistant Superintendent of Business Services, recommends approval of the purchase of the Montague Ovens.
